 25   adding at the end the following new subparagraph:

1                 “(H) HURRICANE SANDY DISTRIBUTIONS.—Distributions to an individual which  
2                 are Hurricane Sandy distributions (as defined  
3                 in paragraph (11)).”.

5                 (b) SPECIAL RULES.—Subsection (t) of section 72 is  
6                 amended by adding at the end the following:

7                 “(11) SPECIAL RULES RELATING TO USE OF  
8                 RETIREMENT FUNDS RELATING TO HURRICANE  
9                 SANDY.—

10                 “(A) DISTRIBUTIONS.—For purposes of  
11                 this paragraph—

12                 “(i) IN GENERAL.—The term ‘Hurricane Sandy distribution’ means any distribution from an eligible retirement plan (as defined by section 402(c)(8)(B)) made on or after October 29, 2012, and before January 1, 2014, to an individual whose principal place of abode on October 29, 2012, is located in the Hurricane Sandy disaster area (as defined in section 165(h)(3)(D)) and who has sustained an economic loss by reason of Hurricane Sandy.

24                 “(ii) AGGREGATE DOLLAR LIMITATION.—

1                         “(I) IN GENERAL.—For purposes  
2                         of this paragraph, the aggregate  
3                         amount of distributions received by an  
4                         individual which may be treated as  
5                         Hurricane Sandy distributions for any  
6                         taxable year shall not exceed the ex-

13                         “(II) TREATMENT OF PLAN DIS-  
14                         TRIBUTIONS.—If a distribution to an  
15                         individual would (without regard to  
16                         subclause (I)) be a Hurricane Sandy  
17                         distribution, a plan shall not be treat-  
18                         ed as violating any requirement of  
19                         this title merely because the plan  
20                         treats such distribution as a Hurri-  
21                         cane Sandy distribution, unless the  
22                         aggregate amount of such distribu-  
23                         tions from all plans maintained by the  
24                         employer (and any member of any

13 the day after the date on which such distribution was received, make one or  
14 more contributions in an aggregate amount not to exceed the amount of such distribution to an eligible retirement plan of which such individual is  
15 a beneficiary and to which a rollover contribution of such distribution could  
16 be made under section 402(c), 403(a)(4), 403(b)(8), 408(d)(3), or  
17 457(e)(16), as the case may be.

1                         “(II) TREATMENT OF REPAY-

4                         THAN IRAS.—For purposes of this  
5                         title, if a contribution is made pursu-  
6                         ant to subclause (I) with respect to a  
7                         Hurricane Sandy distribution from an  
8                         eligible retirement plan other than an  
9                         individual retirement plan, then the  
10                         taxpayer shall, to the extent of the  
11                         amount of the contribution, be treated  
12                         as having received the Hurricane  
13                         Sandy distribution in an eligible roll-  
14                         over distribution (as defined in section  
15                         402(c)(4)) and as having transferred  
16                         the amount to the eligible retirement  
17                         plan in a direct trustee to trustee  
18                         transfer within 60 days of the dis-

20                         “(III) TREATMENT OF REPAY-  
21                         MENTS FOR DISTRIBUTIONS FROM  
22                         IRAS.—For purposes of this title, if a  
23                         contribution is made pursuant to sub-  
24                         clause (I) with respect to a Hurricane  
25                         Sandy distribution from an individual

1                   retirement plan (as defined by section  
2                   7701(a)(37)), then, to the extent of  
3                   the amount of the contribution, the  
4                   Hurricane Sandy distribution shall be  
5                   treated as a distribution described in  
6                   section 408(d)(3) and as having been  
7                   transferred to the eligible retirement

17                  any amount required to be included in  
18                  gross income for such taxable year  
19                  shall be so included ratably over the  
20                  3-taxable year period beginning with  
21                  such taxable year.

22                  “(II) SPECIAL RULE.—For pur-  
23                  poses of subclause (I), rules similar to  
24                  the rules of subparagraph (E) of sec-
